

Logo Contest

The **Wrangell Community Market** needs logo.

We are the local community producers' market with Vendors who may sell items that are locally grown, caught, harvested, raised, hand-crafted, or hand-baked, as well as artisan work and local services, all in a fun social atmosphere. Show us your creativity by helping us with a logo design. If your logo is chosen, it may be featured on signs, advertisements, websites, bags, banners, and shirts.

What we would like your logo to include:

- Name: **Wrangell Community Market**
- Our tag line: "Homegrown; Handmade"
- Please limit your logo to 3 colors (black and white included). Consider submitting multiple versions of the same design for alternative uses, for example: portrait and landscape orientation; color design; black and white design, etc.
- Logo Challenge: Capture the spirit of the Wrangell Community Market and the variety offered
- Logo needs to be clear and recognizable when reduced to 1½"

Submission: Either hand-drawn or electronically-submitted entries will be accepted. Entries can be in final design form or design sketches, outlining how you think the final design should look. Final designs and design sketches can be created on computer or on paper, but any electronic entries must be submitted in one of the following computer formats: .jpg, .tiff, .bmp, or .pdf

You are welcome to submit more than one entry.

Email as a printable 300 dpi, 8x11 inch, document to amberhaddad@hotmail.com with **Logo** in the subject, or hand deliver to City Hall. Include your full name, address and phone number. You will be contacted if your logo is selected as a finalist.

Deadline: Entries should be submitted by **Saturday, June 29th, 2012** so start those sketches now!

Public voting will take place from Friday, July 1st – July 14th. The winner will be announced at the **Wrangell Community Market** on Saturday, July 21st, 2012. ***Good Luck and Be Creative!***
