COVID-19 UPDATE

The Wrangell Emergency Operations Center (EOC) was notified on January 18, 2022, of eight (8) new positive COVID-19 cases.

Additionally, there was one case reported this past weekend that was not reported in the Sunday News Release. Therefore, that additional case is reported in the total number of cases below.

Please note that these cases are only the cases that have been reported to us. These do not include at-home positive tests.

- If you have symptoms or are a close contact, call Wrangell Medical Center at 907-874-7000 to schedule an appointment to get a free COVID-19 test.
