The Notice Inviting Bids is modified as indicated herein. All other descriptions remain unchanged. Bidders are required to acknowledge this addendum on the Notice Inviting Bids and Agreement. Make the following changes to:

NOTICE INVITING BIDS

Under the Section entitled CONTRACT INTENT on page 4, remove the following fuel type from the list of fuel requested:

Ultra Low Sulfur Diesel #1

The Section entitled CONTRACT INTENT will now read as follows:

CONTRACT INTENT: This Invitation to Bid (ITB) is intended to result in mandatory and non-mandatory use contracts for the purchase and delivery of the following fuel types in specific locations within the City and Borough of Wrangell as designated in Attachment A:

1 Heating Oil

2 Heating Oil

Ultra Low Sulfur Diesel #2

Clear Regular Unleaded Gasoline

If a winter blend is used, prices will be invoiced for the two fuels individually then added together.

The above fuels will be delivered on a “keep-full” or “as-needed” basis into bulk fuel tanks located throughout the City and Borough of Wrangell. See Attachment A for information on the specific locations and requirements.
