

TOURISM BEST MANAGEMENT PRACTICES

DATE \_\_\_\_\_

Dear Tourism Best Management Practices Participants and Supporting Partners,

The Wrangell Convention and Visitor Bureau invites your company or organization to sign on to Wrangell's first Tourism Best Management Practices (TBMP) program. **We will ask you to sign on each season.** The Best Practices are a proactive means to provide basic operational guidelines for areas and activities that could potentially see conflict between users and residents.

This program is a voluntary, non-regulatory program. To ensure effectiveness of this voluntary tourism management program and to bolster public confidence in this unique approach to responsible tourism management, we request your participation and support. **Please sign and return this letter to City Hall or email info@travelwrangell.com no later than May 15th.** Please keep a copy for your records. We will add you to the list of local businesses/organizations which value and support conducting operations in a manner that minimizes impacts in our community.

We look forward to a healthy, growing industry and developing stronger relationships with Wrangell businesses.

Sincerely,

Wrangell Convention and Visitor Bureau  
Corree Delabrué, Brenda Schwartz-Yeager, Mya DeLong, Caitlin Cardinell, Chris Bunes

\_\_\_\_\_ agrees to follow, to the  
(Business name)  
of its ability, the guidelines put forth in the **2023 Wrangell Tourism Best Management Practices program.**
