October 28, 2015, 2:00PM**

Pages This Addendum: One (1) plus 2 attachments
Previous Addenda: None(0)

To: Plan Holders List of Record

October 20, 2015

The following question was asked of staff with the response below:

1. *Do you have any contour information in autocad?*

Answer: No. We do have contour information within our GIS system that was obtained when the original ortho-aerial photography was flown in 2002.

Attached is an aerial showing contours from the mapping in pdf and jpg formats.
