	Type of Structure	Age of Structure
Phone:	Square Feet of Structure Covered by Fire Prevention Equipment	

Name of Approved Fire Prevention Equipment:	Date Installed:

Sec. 18.70.081. Approval of fire protection systems.
Before October 30 of each year, the Department of Public Safety shall prepare and make available a list of approved fire protection systems to the Department of Commerce, Community, and Economic Development and the public.

Sec. 29.45.030. Required Exemptions
(l) Two percent of the assessed value of a structure is exempt from taxation if the structure contains a fire protection system approved under AS 18.70.081, in operating condition, and incorporated as a fixture or part of the structure. The exemption granted by this subsection is limited to

    (1) an amount equal to two percent of the value of the structure based on the assessment for 1981, if the fire protection protection system is a fixture of the structure on January 1, 1981; or

    (2) an amount equal to two percent of the value of the structure based on the assessment as of January 1 of the year immediately following the installation of the fire protection system if the fire protection system becomes a fixture of the structure after January 1, 1981.

Certification: I hereby certify that the answers given on this application are true and correct to the best of my knowledge. I understand that a willful misstatement is punishable by a fine or imprisonment under AS 11.56.210.
