

HARBOR METER ASSIGNMENT AGREEMENT

I, _____ request permission to install meter # _____ located at Wrangell

Harbor _____ float for my vessel _____ as of this date _____

I understand and agree that this is a **transient or reserved moorage** meter and there is a required deposit of \$100. I understand that in the event I am out of town or cannot be located and the Harbor Department has to move my boat I will be **reconnected** to electricity and will be responsible for the new meter billing. This is to ensure my boat from sinking due to lack of electricity.

Meters located on Reliance Float in the transient area may not be available for the months of April through September.

I agree to be responsible for notifying the City of Wrangell upon vacating for disconnect. In the case I do not notify the City of Wrangell I am responsible for the usage charges.

I agree to release the City of Wrangell from any liability due to this installation or transfer.
