

Equipment ID: PhTher-05

Midland® Manual Parallel Bars are designed to fit your department's area needs. Choose from Folding (Wall-Mounted) or Floor-Mounted units to save space, or the Standard and Universal units with styrene-covered, nonslip bases that are durable and easy to clean. All Midland® Parallel Bars featured here are height adjustable, and selected models are also width adjustable, to easily adapt from client to client. Attractive stainlesssteel handrails are wear- and corrosion-resistant. Polyurethane-coated uprights provide a distinctive, durable finish. Latex free. All Midland® Parallel Bars are backed by Midland's® exclusive, comprehensive five-year warranty.
