Large Diameter Scope Cabinet 3800 Series

The 3800 and 3850 scope cabinets are constructed of melamine with a locking roll top door. These cabinets feature ambient air vents, a removable drip tray, and a padded rear wall below cushioned cord managers. The "VA" and "DV" models come equipped with a fan unit for improved ventilation. At 92" in height, these cabinets store large diameter scopes with a working length of 65" (165.1 cm). Partial sloped top meets healthcare requirements.

STANLEY

Product Specifications

PB0033

Materials

Shell	Thermally fused melamine over 3/4" (1.9 cm) particleboard. Color is soft white. 3" (7.6 cm) standard toe kick.
Top	Powder-coated finish over metal.
