FOLDING TABLES

FIBERGLASS, LAMINATED, & STAINLESS STEEL

(Shipping is discounted on multiple folding tables of the same type/size/color)

Fiberglass tables are available in multiple colors (see chart). They have seamless one-piece molded fiberglass tops that are mirror smooth, easy to clean and impervious to most spotting fluids. The work surfaces are at the preferred 34" height and have 3" high stop ledges at the ends and back to greatly increase the usable area. The standard color for all metal parts is black.

Stainless Steel Folding Tables

Folding table tops are fabricated entirely of high grade stainless steel.
Legs and lower shelf are galvanized steel.

Ideal for Laundromats, Apartments, and college laundries. Tables are available with or without 5" backsplash. The work surface is at the preferred 36" high. Lower shelf can be adjusted to almost any height.

Standard shipping is added to every purchase and applies to deliveries to commercial addresses. For deliveries to residential addresses there are extra charges that will need to be added after placing your order. If you would like to find out what these charges are before ordering please call 1-800-374-9274. Otherwise we will send a PayPal invoice payable before processing the order.
