

Equipment ID: Lab-18
Phlebotomy Chair
Winco Blood Drawing Chair

Winco Extra Wide Blood Drawing Chair with drawer, flip arm and 450 lb. capacity.

- This is the same Winco Blood Drawing Chair as above except it includes a drawer.
- Includes padded and upholstered seat, backrest, flip armrest and non-swinging armrest.
- Flip armrest provides easy access and superior safety. Armrests are adjustable in height.
- Features a new higher 22½" seat height. Extra height reduces bending for staff and makes it easy for patients to sit and exit chair.
- High impact leveling feet ensure a level chair with no tipping.
- Dimensions: Seat 24¼"w x 18½"d x 22½"h; Overall 35½"h x 41½"w; Overall depth: 25". Drawer size: 8¼"w x 13"d x 5¼"h. Armrests adjust from 28½" to 38½"; Distance between seat and armrest post: 2½"; Distance between backrest and flip arm is 18½".
- Chair weight: 53 lbs.; Ship weight: 70 lbs
