

Misc-96

Glove Dispensers - Side Load Quad PETG

Side-Load Box design creates three mounting possibilities.

- Design allows unit to be mounted with opening to the left, to the right or to the top.
- Each box of gloves is held in it's own compartment
- Medicus Health Glove Dispensers are made from 3/16" PETG and are 15 to 20 times tougher than acrylic.
- Easy to clean with any typical hospital cleaner, even a 10% bleach solution.
- Wall Mounted (Hardware included)
- Glove box dimensions are 10"W x 4.5"D x 21.5"H
