Earthlite - Avila II Massage Chair Package

Welcome to the Avila, the world's most advanced massage chair. Avila's unique design features a one-of-a-kind "smart seat" that automatically locks in place and fits everyone. Its 3 quick-release levers allow infinite adjustability, creating complete comfort and perfect fit for your client. Set up is incredibly quick, and adjustments are easy even with your client in the chair. A convenient essential oil well makes aromatherapy a part of your massage, and a handy detachable pouch (for jewelry, watches, etc.) puts your client at ease. See how Avila earned the title of the world's most advanced massage chair.
